:  
**VINCENT JOSEPH DEMSKY** :

4. Do any members of the jury panel know one another? If so, in what capacity? If you are both selected to be on the jury, would you be able to render a verdict without being influenced by the opinion of the person that you know? **(Reworded Defendant's proposed Question No. 25).**

5. This case relates to events occurring at the Boeing Company's Ridley Park, PA campus. Has anyone seen, heard or read anything about these events. Do you or any member of your family, or any close friend, have any connection to this campus or to the Boeing Company? One or more of the witnesses in this case have received, or may receive in the future, lesser sentences in exchange for cooperation with the government. Such "plea bargaining" is lawful and proper. 11. Does anyone have any opinions, religious beliefs, philosophies, or prejudices which might make you unable to come to a fair and impartial verdict in this case? For example, do you believe that no person should ever be judged or convicted?

12. Would the religion, race, color, sex, or ethnic background of a witness influence whether you believe his or her testimony?
13. Have you had any training in law? If so, please describe. Are any members of your family, close friends, or work associates attorneys? If so, what type of law do they practice
14. Have you otherwise been involved in a criminal case as a witness or in some other capacity? If yes, please explain at sidebar.

16. Have you ever had, or do you anticipate having, any claim or dispute with or against the United States government?

22. Can you think of any other matter which you should call to the Court's attention which might have some bearing on your qualifications as a juror, or which may prevent your rendering a fair and impartial verdict based solely upon the evidence and my instructions on the law?
